

Trishna Kantamneni, M.D.

Philosophy of Care

When I meet with a family and their child, my aim is to listen, to learn about their goals, and work together with them towards finding the right diagnosis and the best possible treatment to help their child feel better and have an optimal quality of life.

I believe in teamwork, open communication and providing a caring and supportive environment for my patients and their families.

Clinical Interests

Dr. Kantamneni is a pediatric epileptologist offering care for infants, children and adolescents with various seizure disorders with emphasis on difficult to treat epilepsy and evaluation for epilepsy surgery.

Research/Academic Interests

Dr. Kantamneni's research interests include quality improvement, with focus on in-hospital care of patients with seizures.
