

Dali Fan, M.D., Ph.D.

Philosophy of Care
I want to listen to the patients first. I want to understand the patient's need and maximize the patients satisfaction.

Clinical Interests
Dr. Fan is a general cardiologist. He is a fellow of the American College of Cardiology (FACC) and a fellow of American Society of Echocardiography (FASE). His expertise is in noninvasive cardiac imaging, particularly echocardiography. His other clinical expertise includes CCU service, inpatient cardiology consultation service and implantation of cardiac devices including pacemakers and ICDs. He also provides service to veterans at VA Mather.

Research/Academic Interests
Dr. Fan's research is on application of cardiac imaging in intervention cardiology, structural heart diseases and cardiac device implantations.
